

NATIONAL INSTITUTE OF TECHNOLOGY

Arunachal Pradesh

Five Days Online Workshop

On

Entrepreneurship & Regional Development

22nd February 2021 to 26th February 2021

Organized by

IIC – Institute Innovation Council & Startup Cell
National Institute of Technology Arunachal Pradesh

Sponsored by TEQIP III

Introduction

Government of India has initiated a renewed focused on entrepreneurship development and startup through its flagship 'Atmanirbhar Bharat Abhiyan' (self-reliant India). In this context, academic intuition, governmental, non-governmental organizations along with the private sector and highly motivated individuals are pushing the cause of entrepreneurship in India. Economic activities & entrepreneurship have a tremendous impact on regional development and uplifting the socio-economic status of the regional communities. This workshop is an attempt at answering some of these issues and challenges in the present context.

Objectives

1. To promote the idea of Entrepreneurship and Start-up as a career choice.
2. To understand the role of Educational Intuitions in Entrepreneurship development.
3. To explore the traits of a successful start-up
4. To explore Entrepreneurship as a tool for regional development.
5. To bridge the gap between academia and industry through Entrepreneurship Development

Program Outcomes

1. Motivated youth would get a clear direction to step forward in innovation, entrepreneurship, & start-ups activities.
2. The role of academic institutions in Entrepreneurship development would be demystified.
3. Participants will get a clear idea to head start the journey of entrepreneurship.
