Mother Language Day Celebration

National Institute of Technology, Arunachal Pradesh celebrated Mother Language Day on 21st Feb 2020. As part of the occasion, **Slogan Writing Contest** was organized to observe Matribhasha Diwas (Mother Language Day) at NIT Arunachal Pradesh, for a catchy **Slogan** (maximum 4 to 5 words) specifying **the theme** of 'Linguistic Diversity in India'. The significance of the competition was to promote India's multi-lingual wealth and multi-cultural prosperity among technical students, to create maximum awareness of linguistic and cultural traditions and inspire harmony among the students speaking many languages. The theme of the contest highlighted the linguistic diversity of our country among students encouraging usage of not only mother tongue but also other Indian languages.
